My 5yo is currently attending 1 to 1 private lessons at Mandarin Time School. There has been significant improvement in his speaking and writing after just a few lessons and it's reflected in his school developmental report where he scored the highest in Putonghua. Teacher Lisa is a very experienced, passionate and dedicated teacher. She has a way with teaching children. The effect of her calm, positive and soft spoken demeanor can be felt every time my child walks out from class with a big calm smile. The team in Mandarin Time are also always helpful, friendly and accommodating to our needs. We highly recommend Mandarin Time and Teacher Lisa to anyone especially parents looking for quality Putonghua education for their children.
