My son is joining the summer camp and he said the teachers are very friendly and give great motivation. He becomes more interested in learning Chinese and best of all, I can tell he gained confidence in Chinese. I am thankful to the teachers and decided to keep joining the camp for few more weeks.

My son enjoyed his summer camp at Mandarin Time. The staff and teachers are warm and genuinely caring towards the kids. They're also very encouraging and know how to kindly manage my son who can get overexcited in class at times. The location is also very convenient.
